Pop Art Printmaking, Painting, & Paper! \$15 per class

Come see, learn, and make fantastic Pop Art with Lisa Tulowitzky, local resident & art teacher. She will teach 2 classes for kids in grades 2-3 & 4-6. There must be at least 5 kids per class so call early to register. Fun for boys and fun for girls!

Tuesday, June 13 from 1:00-2:30-Students who have finished 2nd & 3rd grades will learn about Andy Warhol and make cool, colorful hand print art. We will also do a beautiful painting like the artist Peter Max.

Wednesday, June 14 from 1:00-2:30-Students who have finished 4th -6th grades will learn about pop artist Andy Warhol and Wayne Thiebaud. They will do a printmaking project involving lots of color and food!

Fairy Houses & Gnome Homes Tuesday, June 20 1:00-2:30 Grades 1-6 \$5 per child

Local teacher, Anissa Fox will help boys and girls get creative by making fairy & gnome homes from mostly recycled and natural materials. Some different materials will be provided but kids are encouraged to bring boxes and other items from home that they would like to use.

Sharpie Tie-Dye T-Shirts Wednesday, June 21 1:00-2:30 Grades 1-6 \$5 per child

Come experience the ultimate in fun while creating a one-of-a-kind wearable art piece! All ages will enjoy using Sharpie markers, rubbing alcohol, and some simple guidelines to create fantastic tie-dye designs. You must bring your own plain white cotton shirt. Class space is limited so sign up early!

Catapults By Kids Thursday, June 22 1:00-2:30 Grades 1-6 \$5 per child

Come and try your hand at engineering your very own catapult! Learn about different kinds of catapults and how they work. Then, using common items including popsicle sticks, plastic spoons, and rubber bands, you will construct a working catapult. At the end of the class, test your catapult to see if your design launches the highest or the farthest in a friendly competition.
